

**A SHORT MESSAGE ON YOUR
GOD-GIVEN WORTH**
By George Foster

Your true worth comes from God! He created you, knows you, loves you, invests in you, and wants the best from you and for you.

He values the person you are, believes in the person you can become, and is ready to help you develop and use your gifts to the fullest extent in the work He wants you to do.

God has provided all you need and He desires to unleash the power that He has invested in you like never before. Put aside your self-imposed limitations, commit yourself to God, and be the person God knows you can be.

A work of art is valued according to the skill and the fame of its artist. Your worth is determined by the one who created you. I happen to believe that our Creator is God, and I want to share a verse from the Holy Bible that provides a foundation upon which we can build an understanding of who we are and what our Creator purposes for our lives.

“For we are God’s workmanship, created in Christ Jesus to do good works, which God prepared in advance for us to do” (Ephesians 2:10).

Don’t set a stereotypical image of success and strive to live up to. Agree with God’s point of view and decide to be all that you can be with the gifts, abilities and appearance God has given you. You are precious in His sight!
